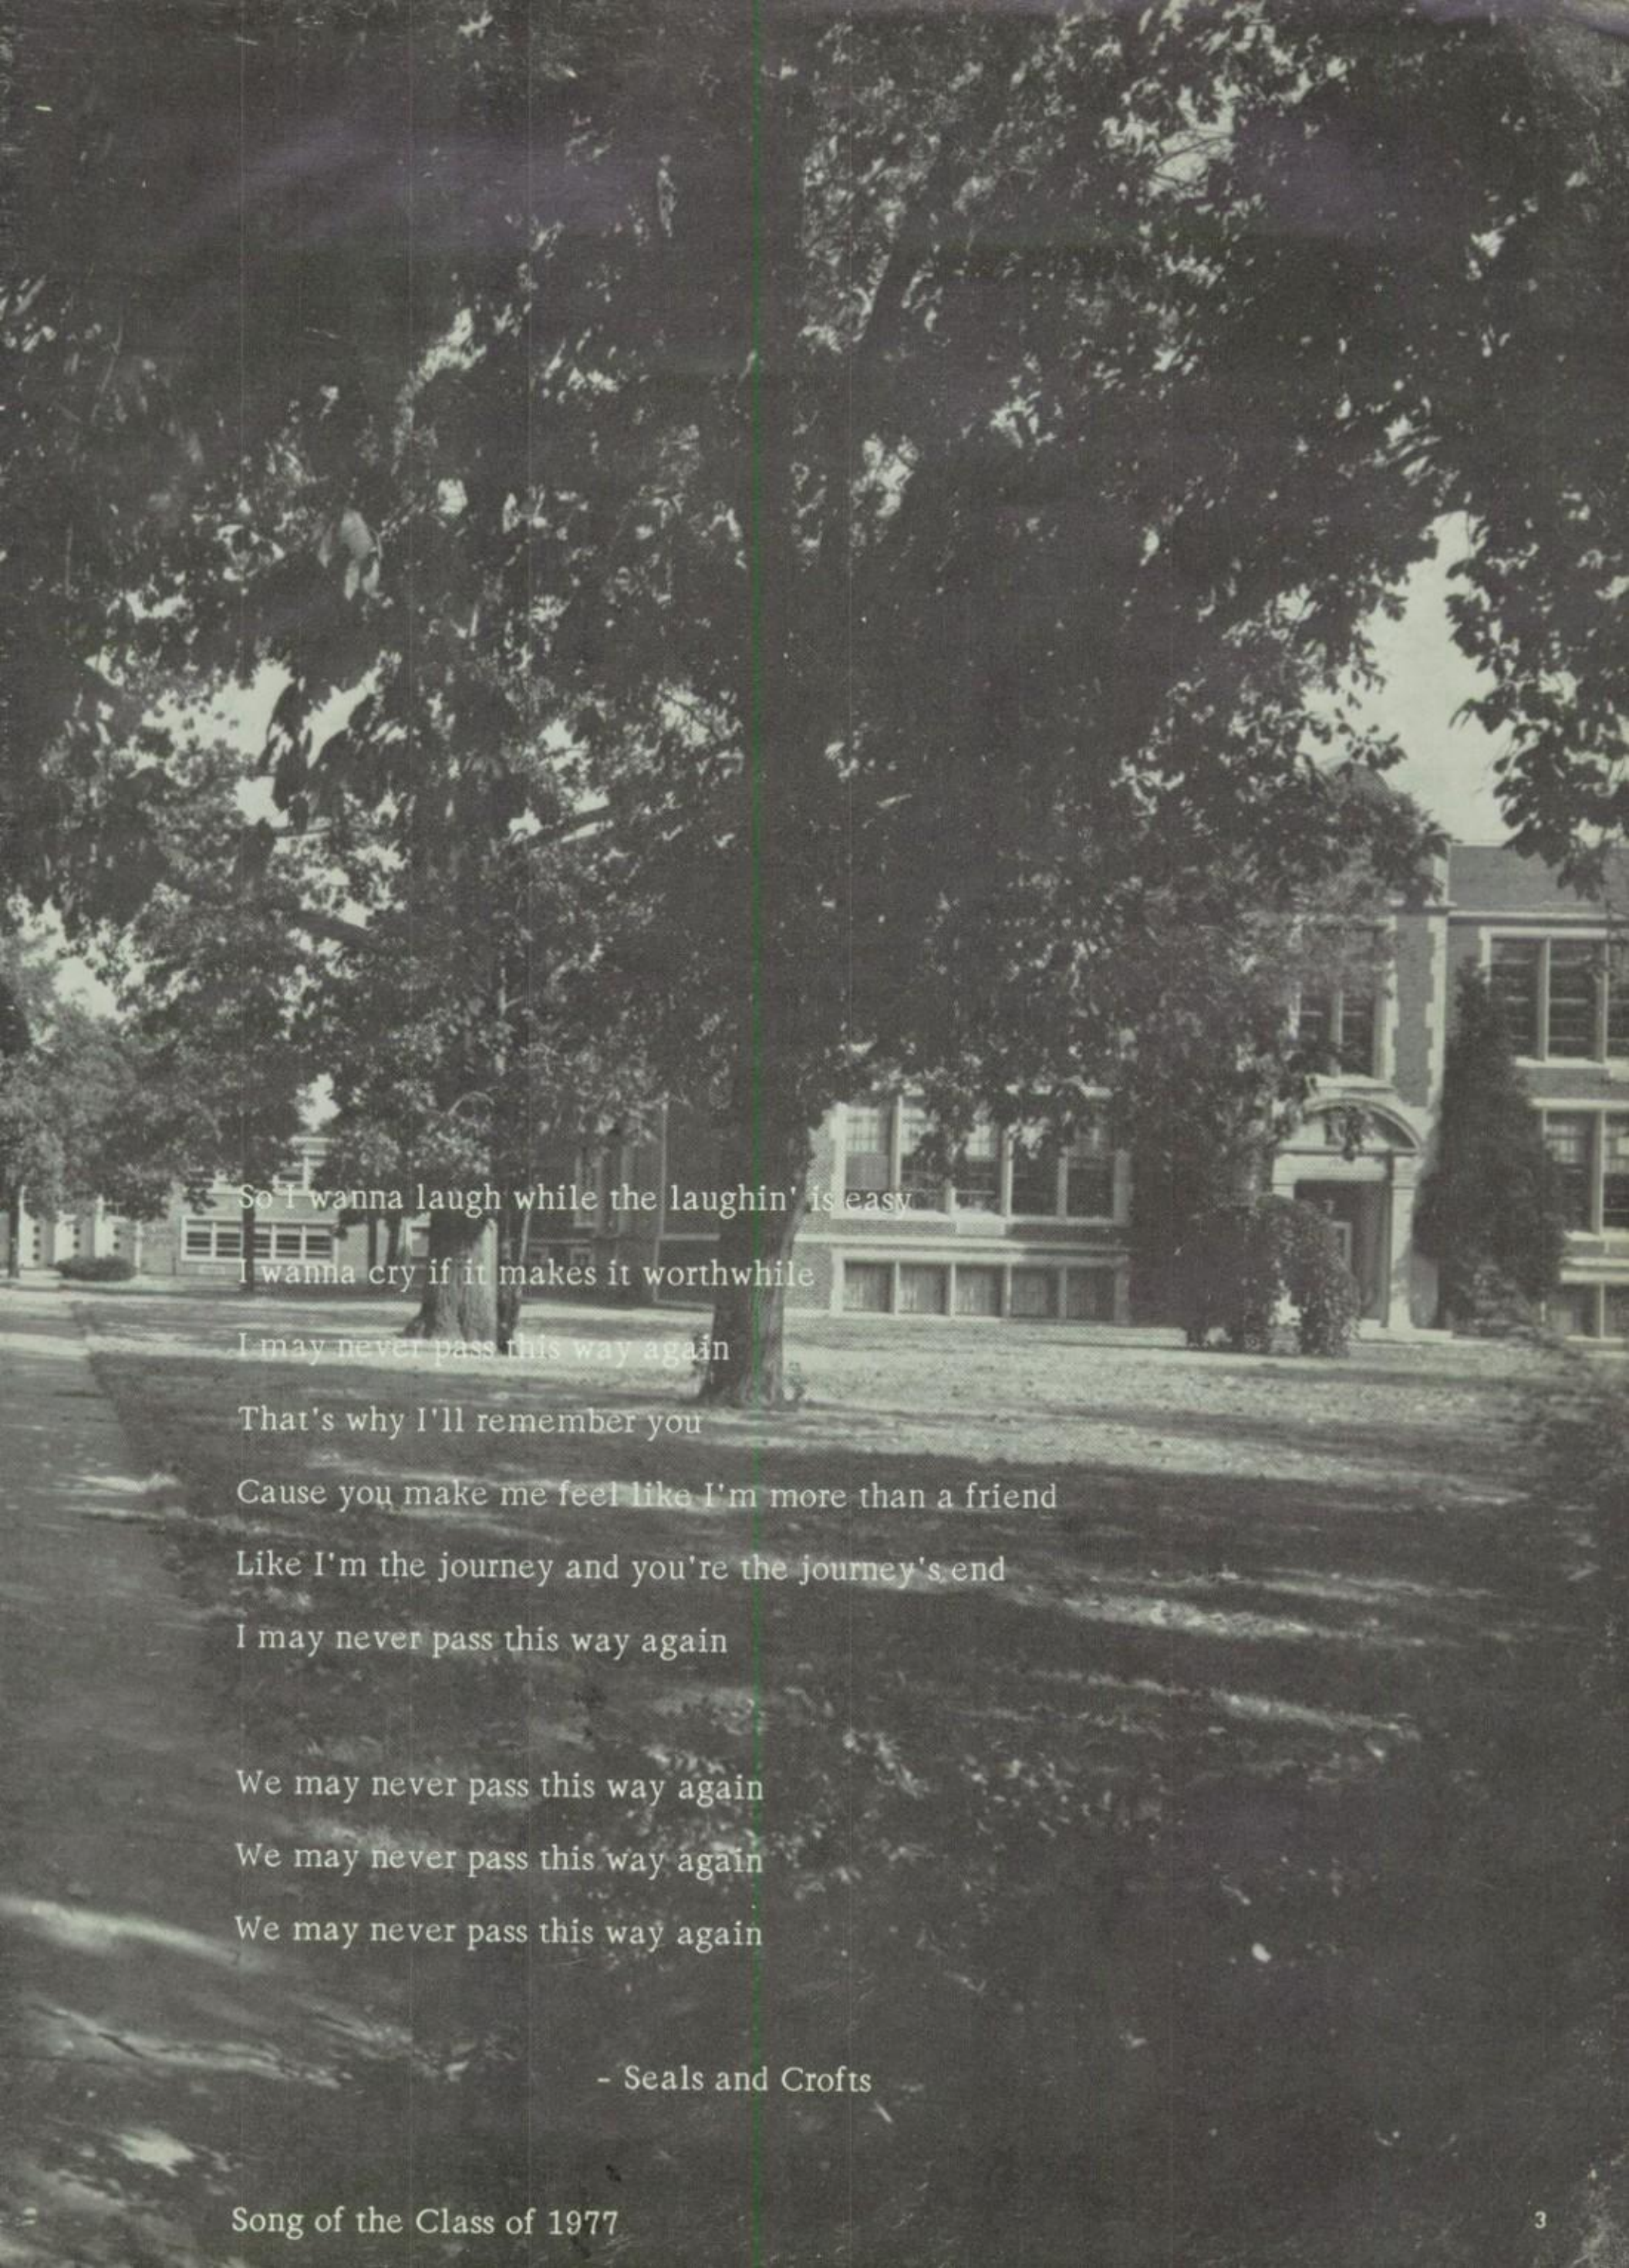
Life - so they say
Is but a game and they let it slip away
Love - like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're going
Whisper in our ears and all the years will come and go
And take us on - always on

We may never pass this way again
We may never pass this way again
We may never pass this way again

Dreams - so they say
are for the fools and they let them drift away
Time - like us is young
Seems it's passin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and the years will come and go
And take us on - always on

We may never pass this way again
We may never pass this way again
We may never pass this way again



So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I'll remember you
Cause you make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way again

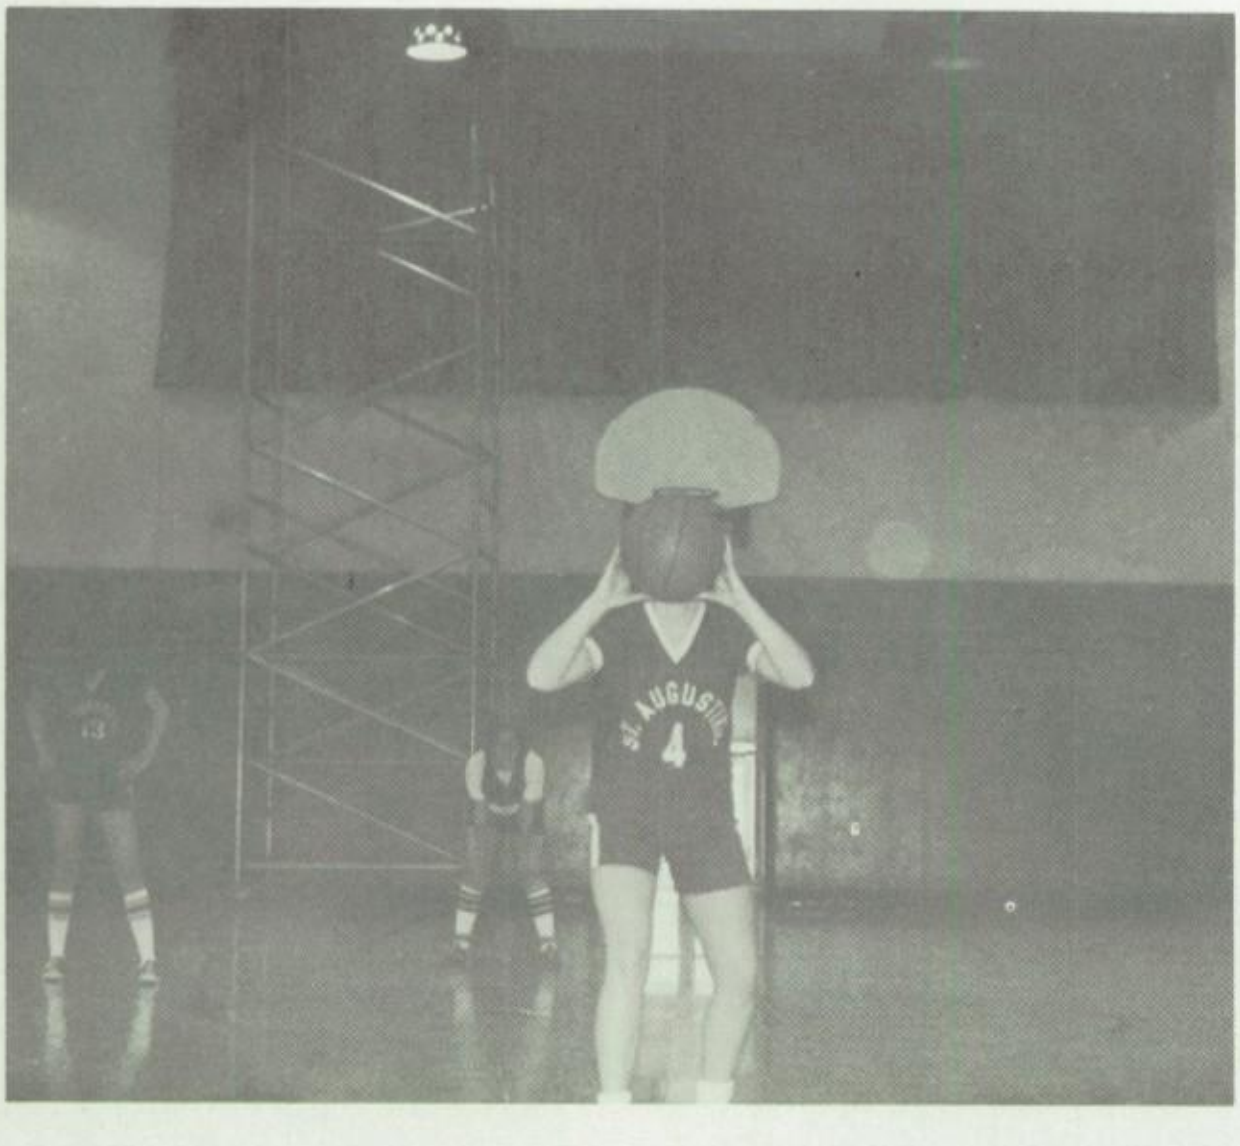
We may never pass this way again
We may never pass this way again
We may never pass this way again

- Seals and Crofts

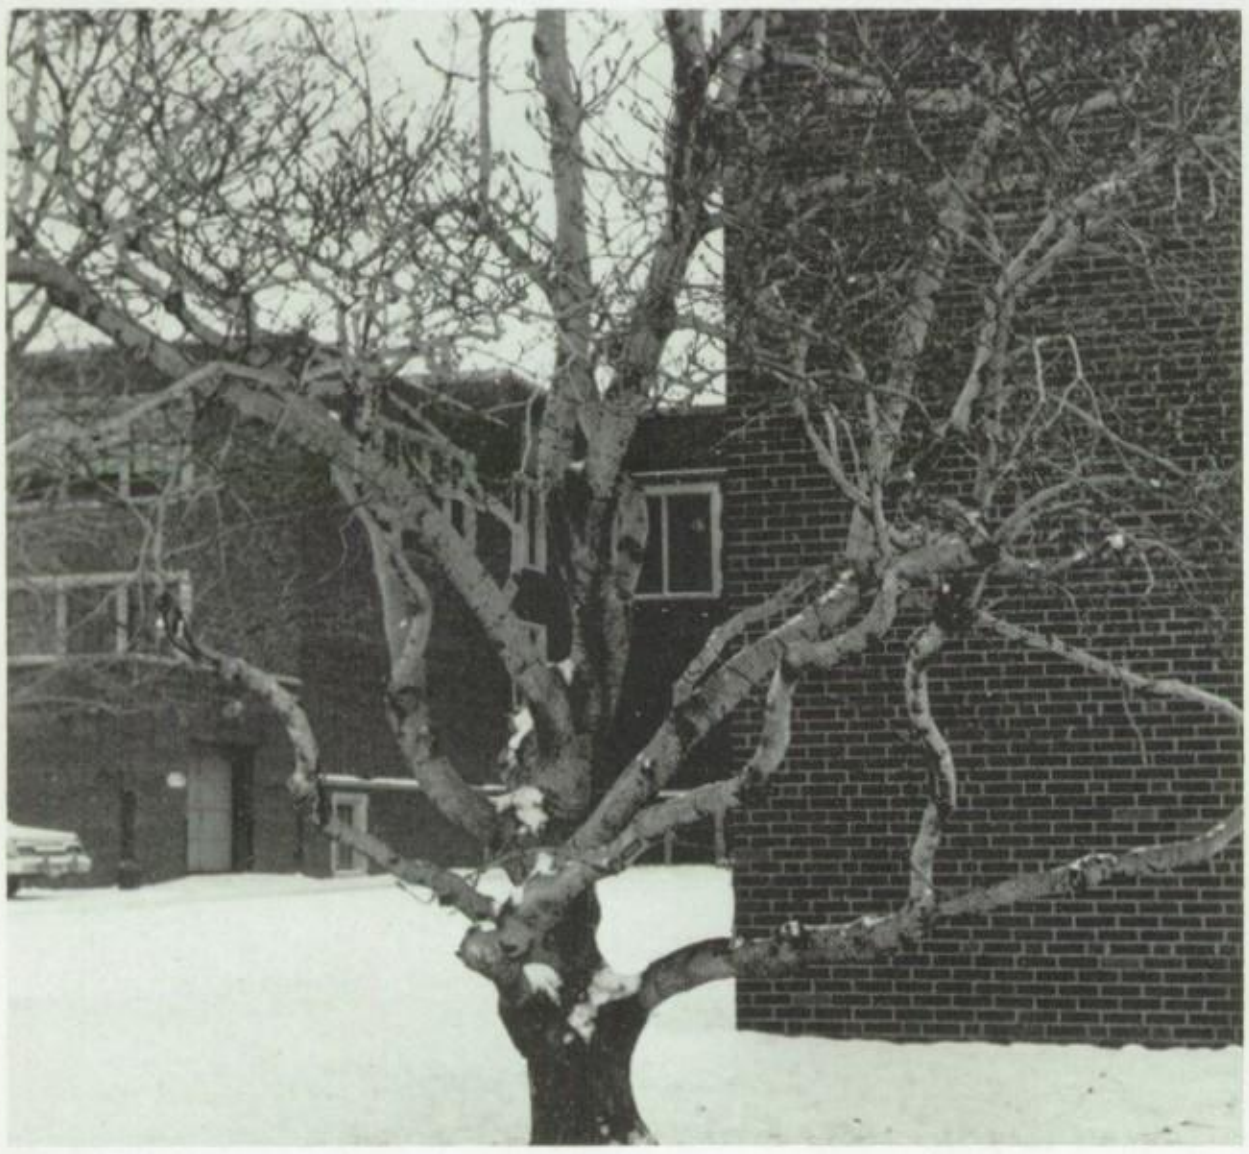
Song of the Class of 1977

Life — so they say — is but a game

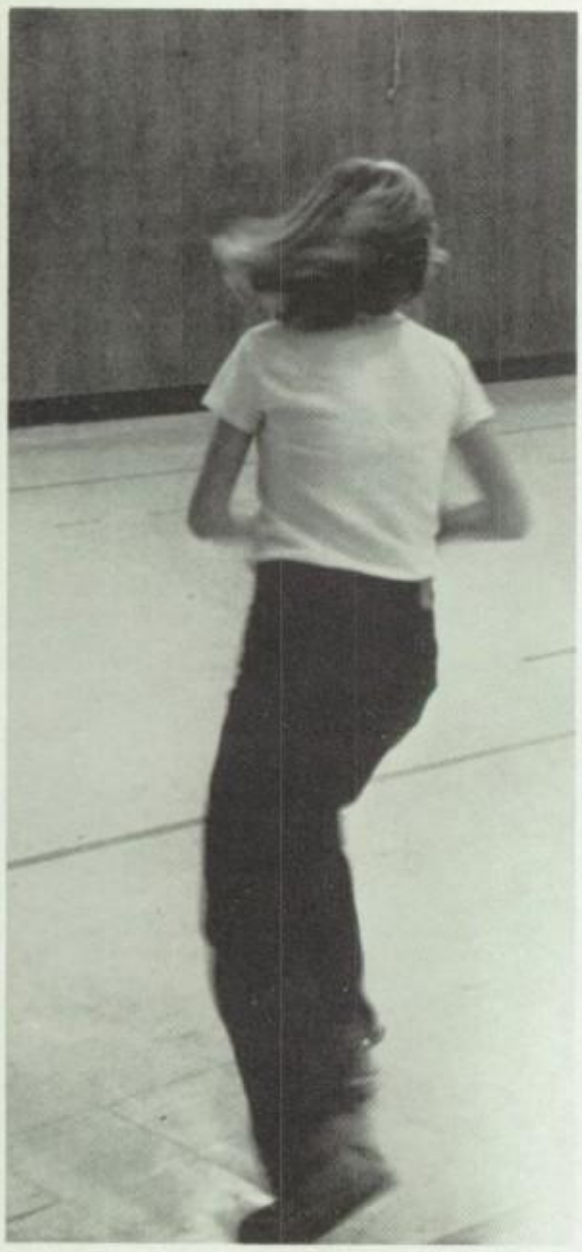
and they let it slip away

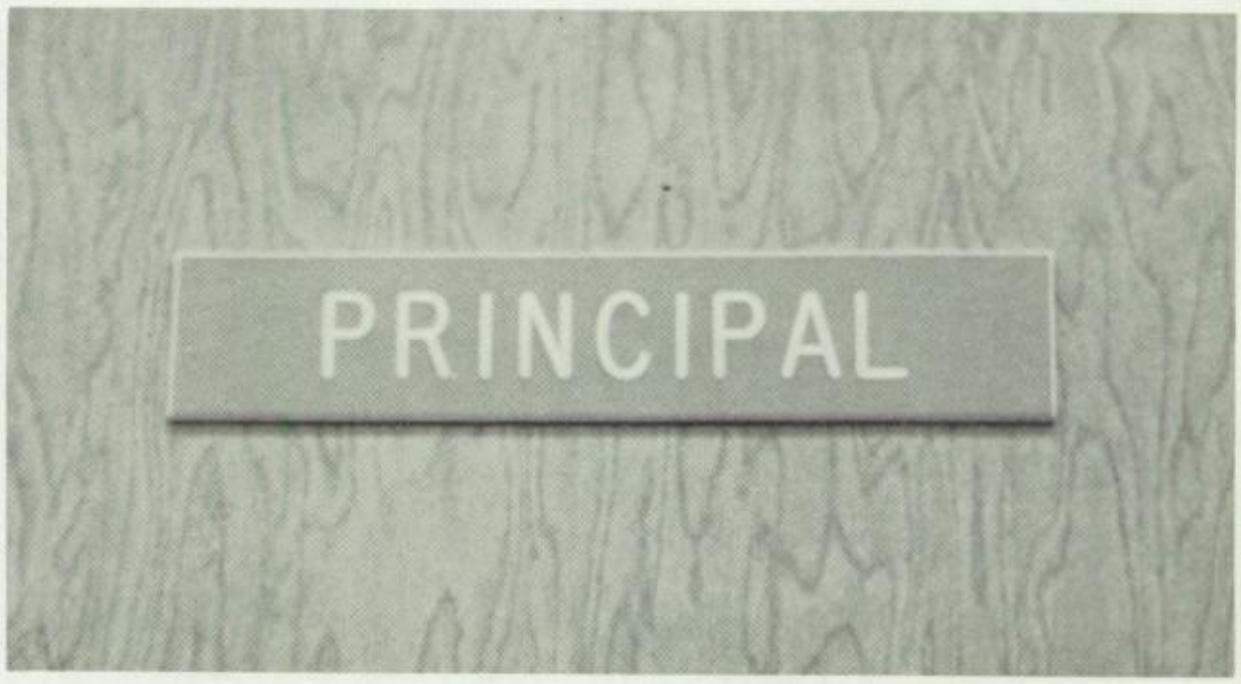


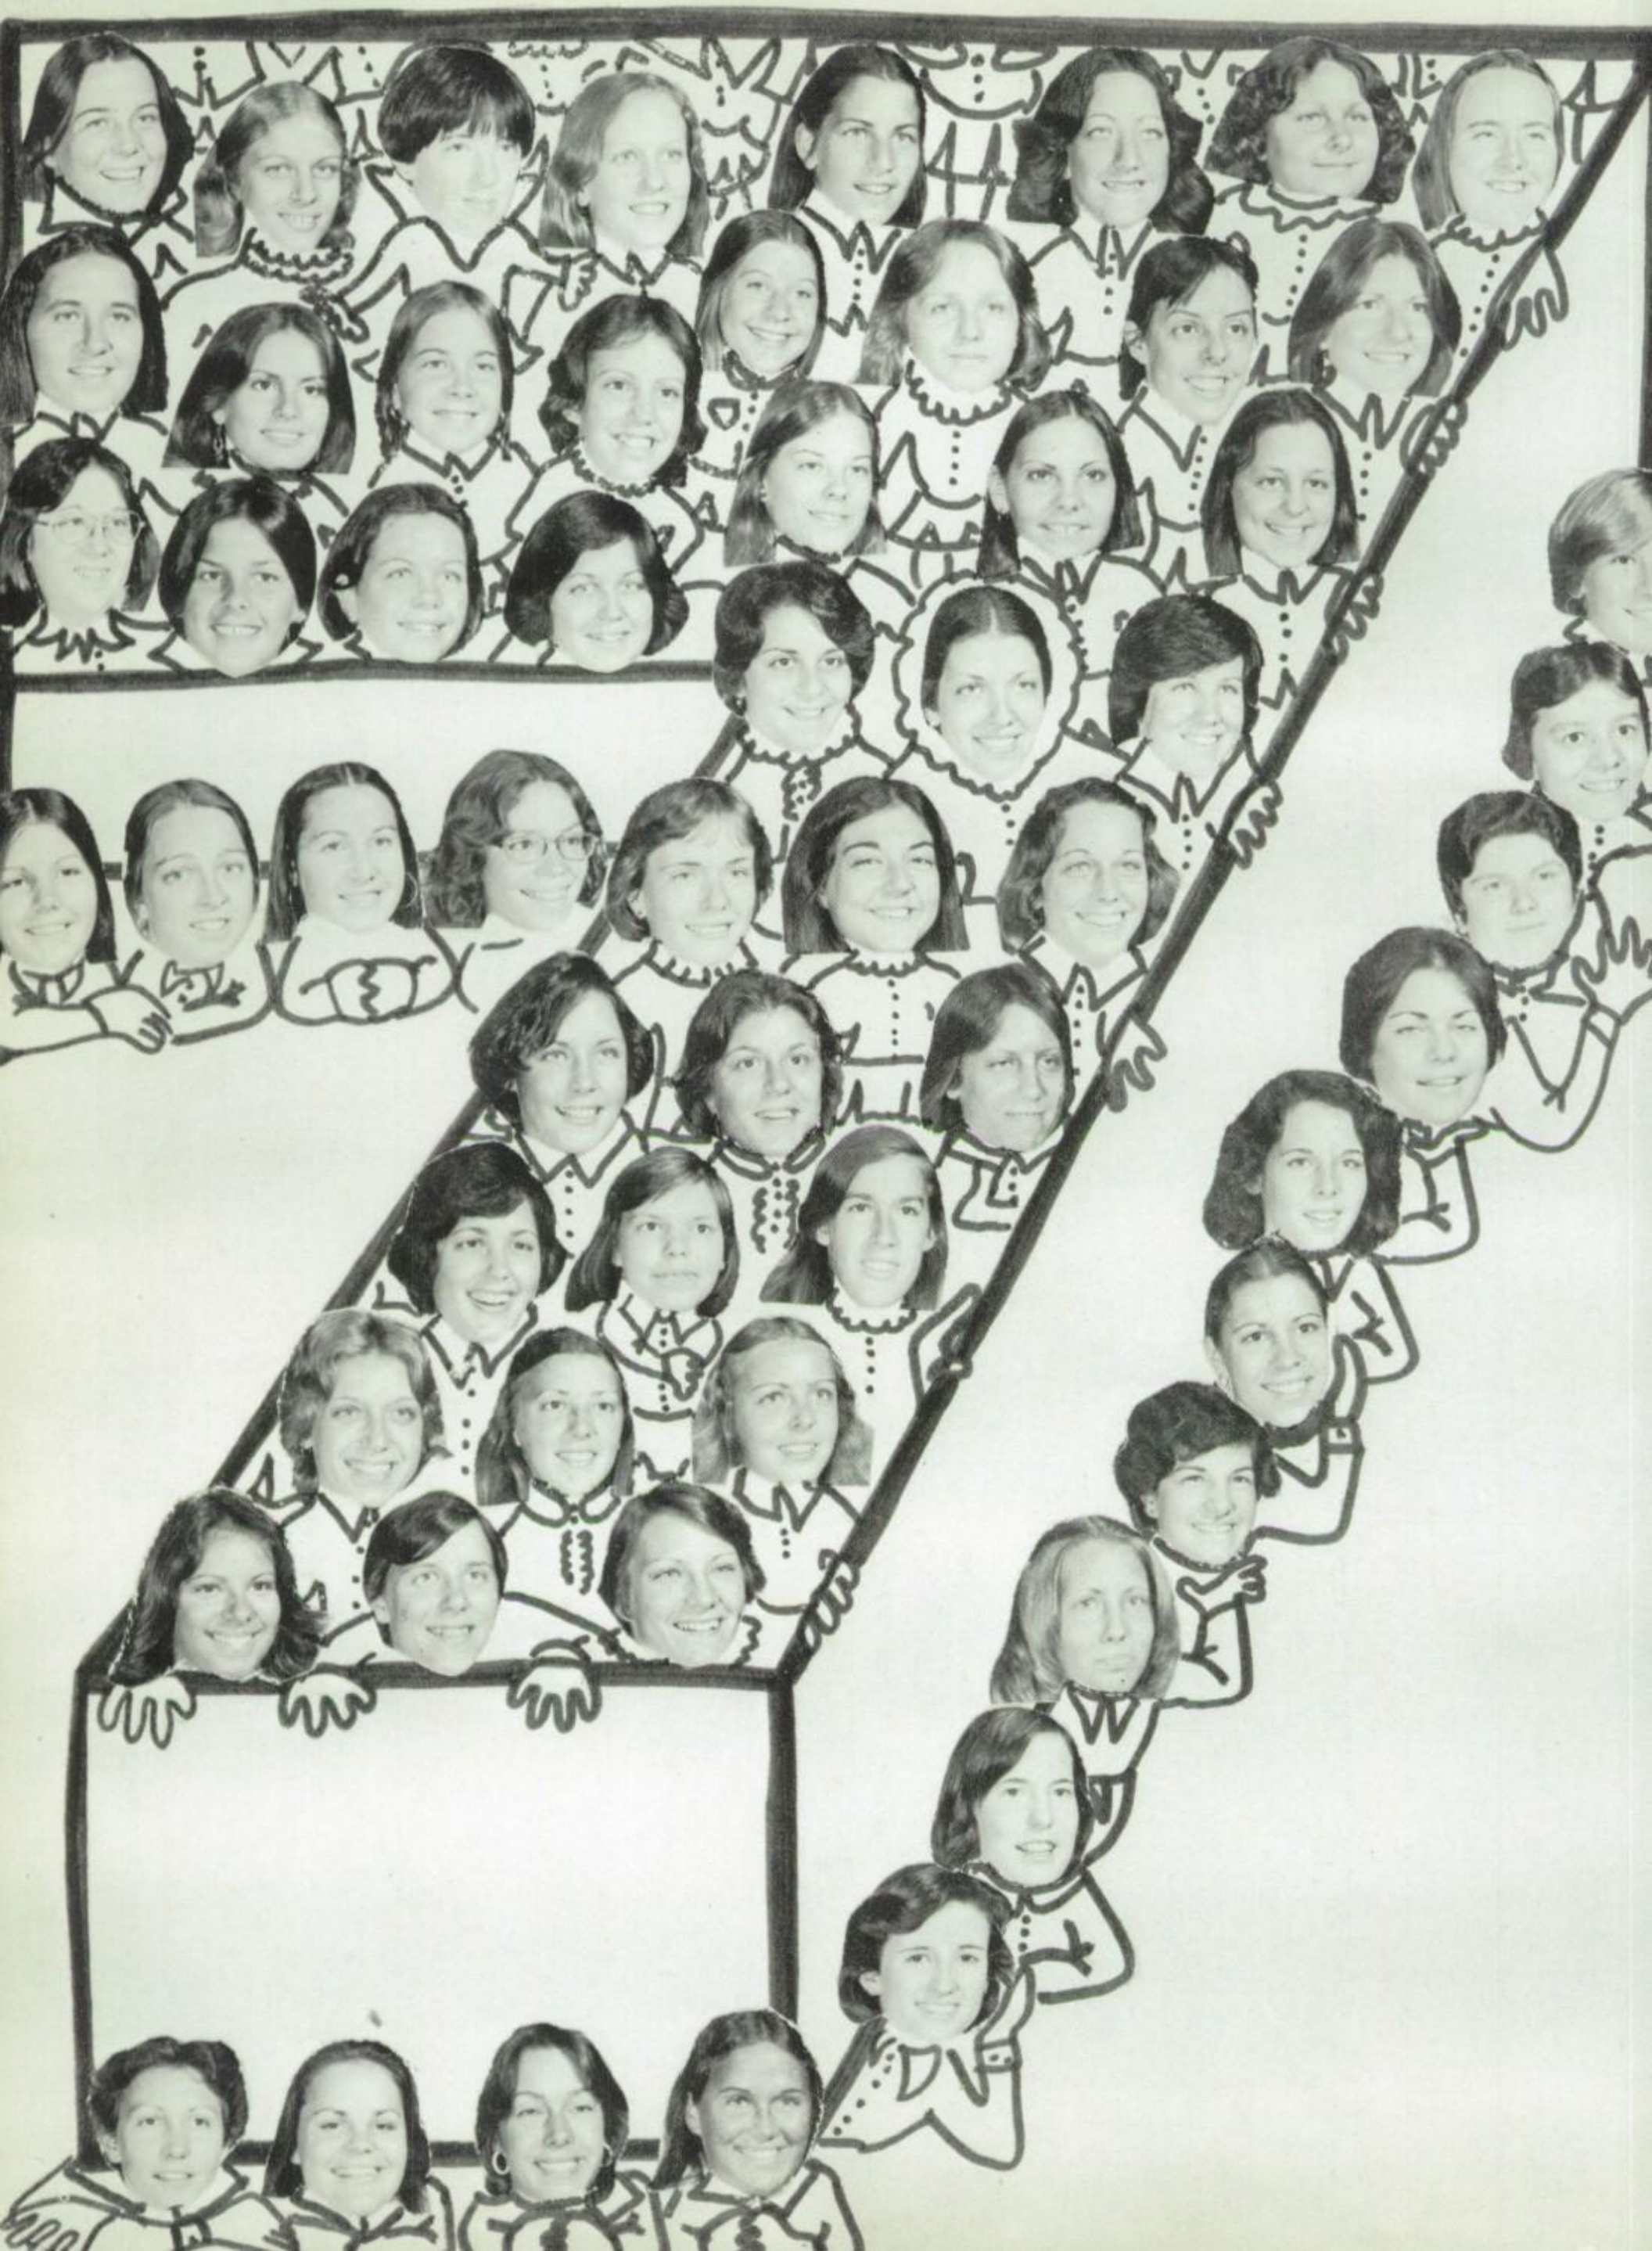
And all the secrets

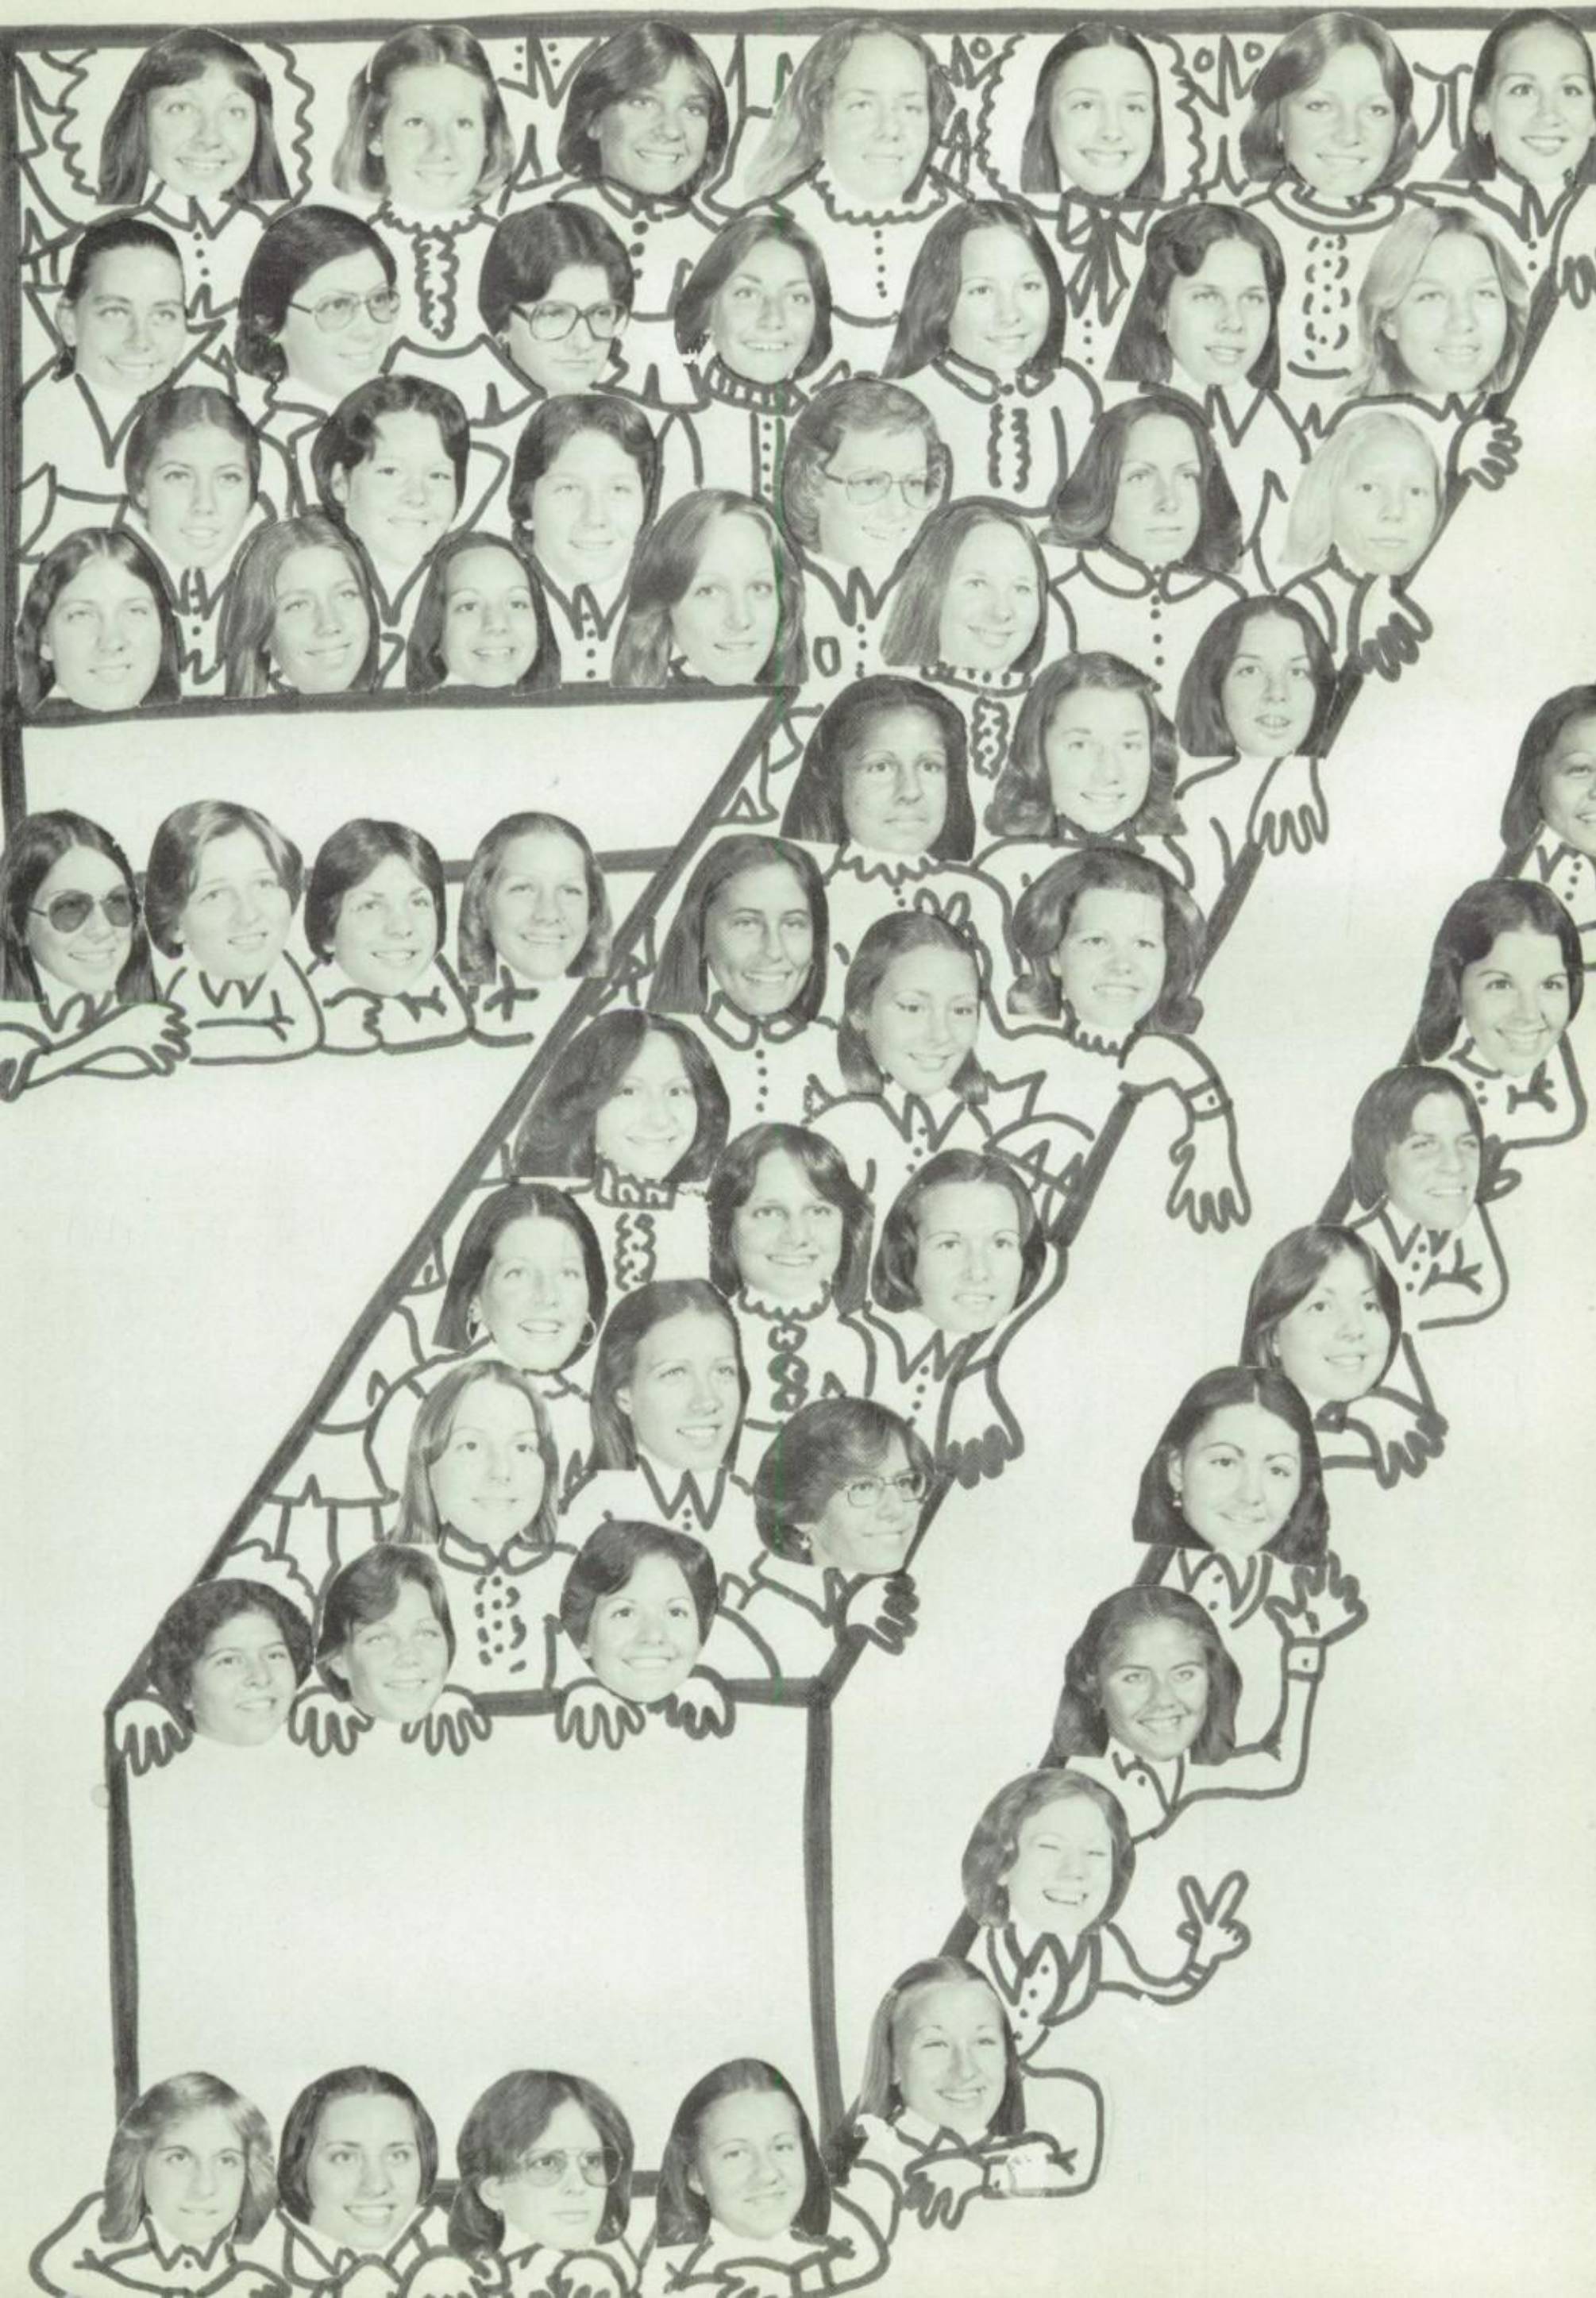


in the universe



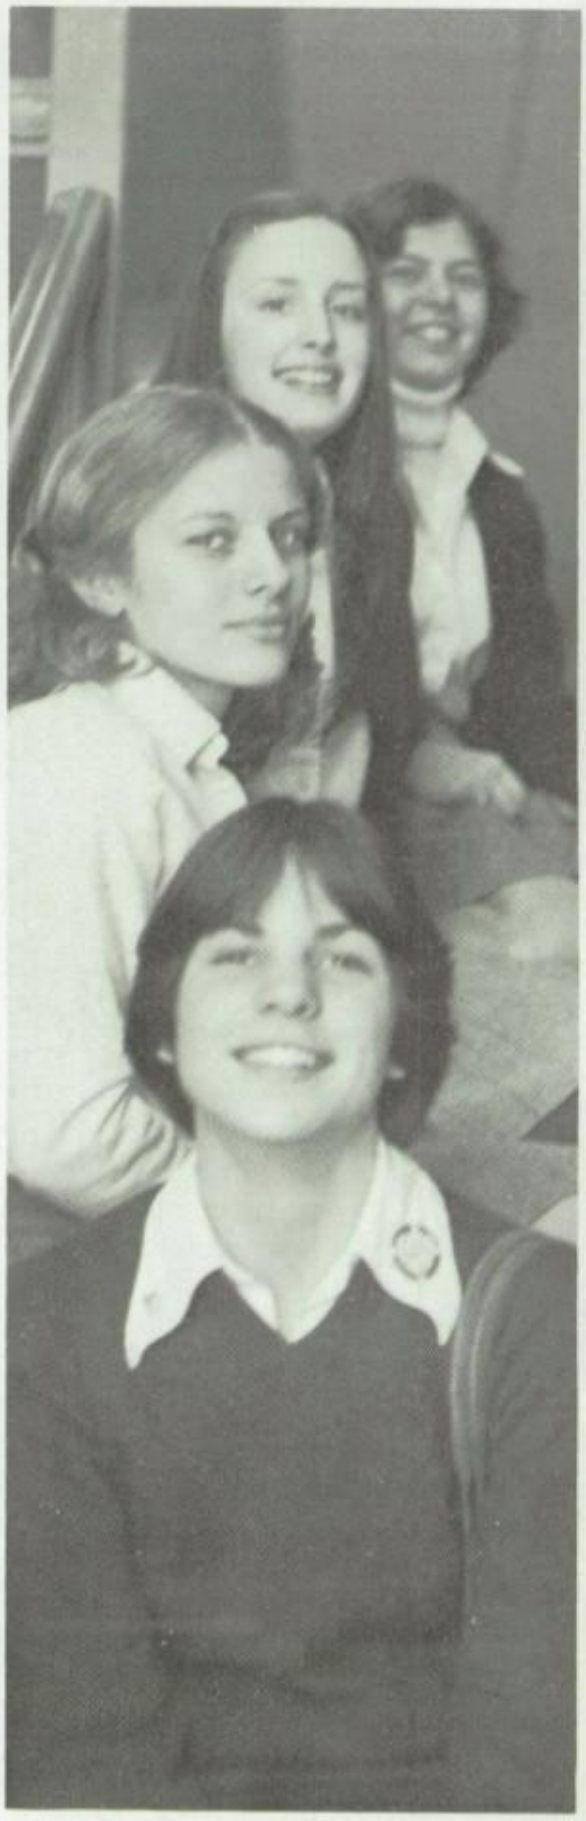




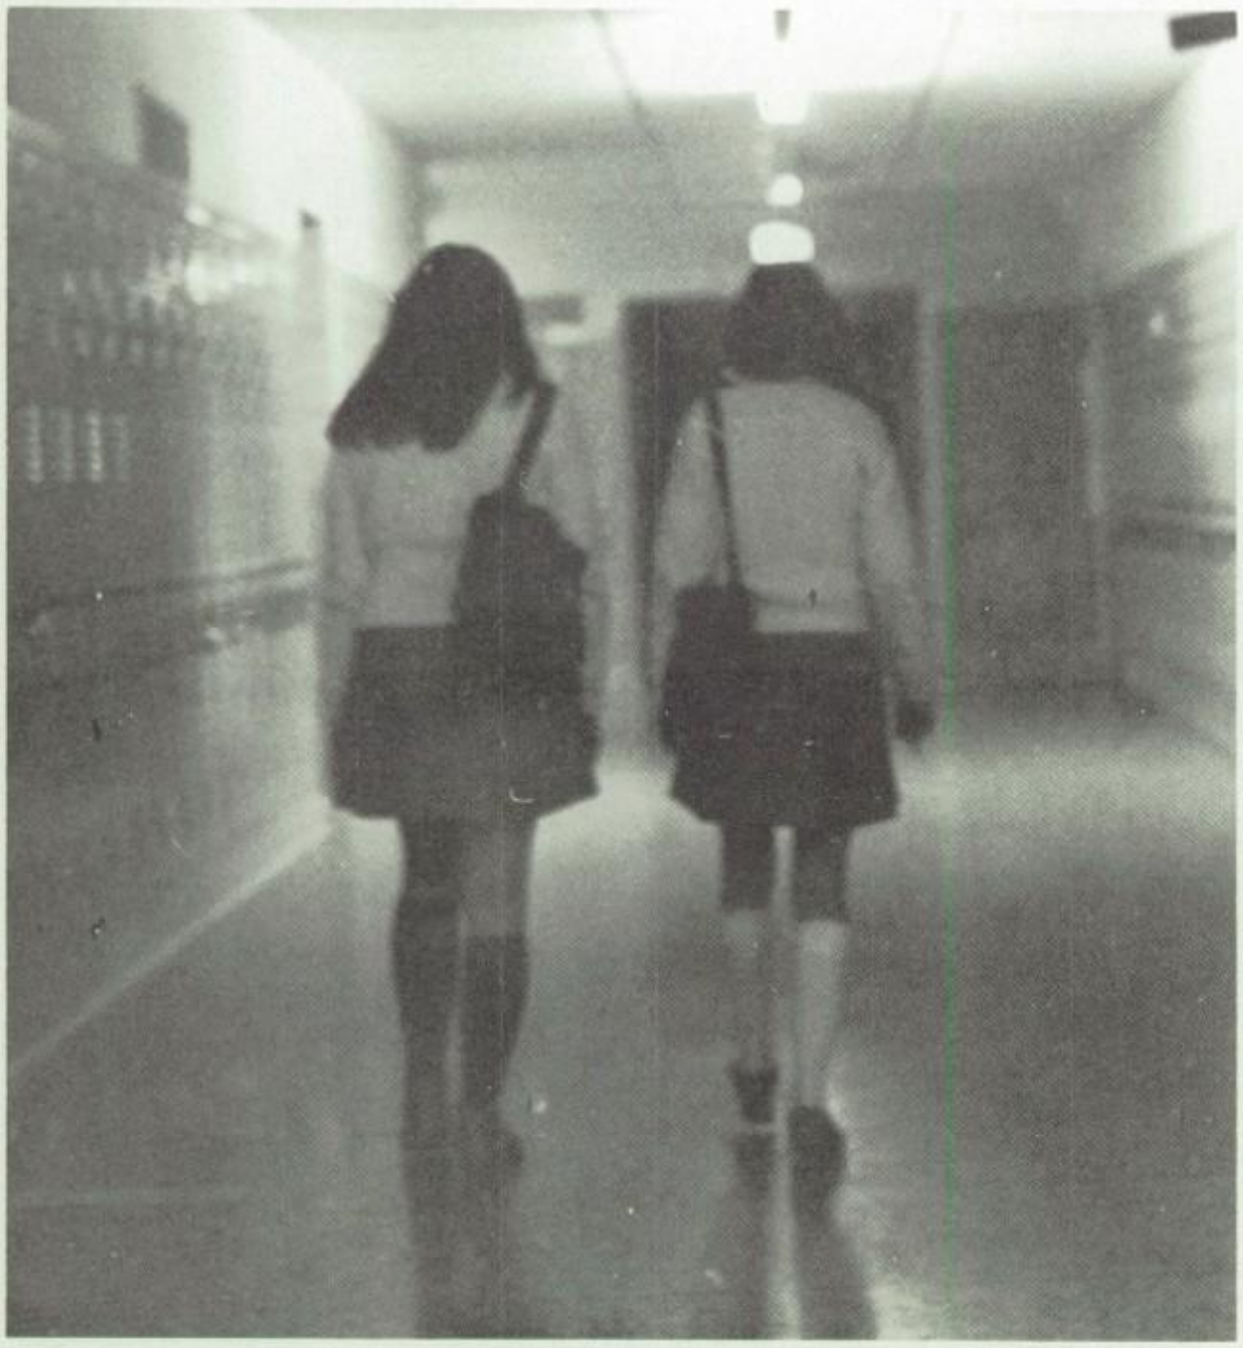


And I'll remember you . . .

Cause you make me feel like



I'm more than a friend



We may never
